Dear FNAME M LNAME:

IMPORTANT: YOU ARE BEING ENROLLED INTO A NEW HEALTH AND DRUG PLAN FOR YOUR MEDICARE AND MEDICAID SERVICES

You are getting this letter because you have both Medicare and Medicaid and the way you get your health care is changing. You will soon be enrolled in a new program called MI Health Link that replaces your current Medicare and Medicaid plans with a combined plan. The new plan includes all the benefits you currently receive under Medicare and Medicaid.

If you do nothing, you will automatically be enrolled in YOUR HEALTH PLAN on March 1, 2015. Enrolling into this MI Health Link health plan will **not** change your Medicare or Medicaid eligibility.

You will receive a plan ID card from YOUR HEALTH PLAN. Starting March 1, 2015, you need to show your new plan ID card when you get services. You must use your new health plan when you need medical services and prescription drugs on or after March 1, 2015.

You can choose to not be enrolled in this new plan. **If you do not want to be enrolled, you need to contact us no later than February 15, 2015.**

How will this change affect me?

- You will have one plan for all your Medicare and Medicaid provider and pharmacy benefits.
- You will not pay a plan premium, deductible or copayment when you get services from a provider or pharmacy in your health plan's provider network.
- You will have your own Care Coordinator who will ask you about your health care needs and choices and will work with you to create a personal care plan based on your goals.
- Your Care Coordinator will help you get what you need, when you need it. This person will answer your questions and make sure that your health care issues get the attention they deserve.
- If assistance is needed to live independently, you will have access to home and community based supports and services that are medically necessary.
- You will have care coordination of physical and behavioral health care benefits.

What should I do now?

You have options:

1. **Enroll in a new MI Health Link health plan - YOUR HEALTH PLAN.** If you want to be enrolled and receive both your Medicare and Medicaid benefits from YOUR HEALTH PLAN, there is nothing more you need to do.

➤ PO Box 30412, Lansing, Michigan 48909 ➤ Fax: (517) 324-0710

2. **Join a different plan that will include your Medicare, Medicaid, and prescription drug benefits.** Call Michigan ENROLLS at toll-free 1-800-975-7630 (TTY: 1-888-263-5897), Monday-Friday from 8 AM - 7 PM before February 15, 2015 and tell them you don't want to be in YOUR HEALTH PLAN and you want to join a different plan.
3. **Keep your Medicare the way it is now and discuss other Medicaid options.** Call Michigan ENROLLS at toll-free 1-800-975-7630 (TTY: 1-888-263-5897) before March 1, 2015. Tell them you do not want to be in YOUR HEALTH PLAN. They can help you keep your current Medicare and Medicare prescription drug coverage and discuss Medicaid options available to you. You can also call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Note: Remember, you have the right to join Original Medicare and a Medicare prescription drug plan at any time.

YOUR HEALTH PLAN and Medicare Part D

You may have received a letter from your current Medicare Part D prescription drug plan telling you that beginning March 1, 2015, your prescription drug plan won't cover your prescription drugs. That is because you are being enrolled in a new health care and drug plan. YOUR HEALTH PLAN will become your new Medicare Part D plan, which means your last day of coverage in your current prescription drug plan will be February 28, 2015. You cannot keep your current Part D plan and be in YOUR HEALTH PLAN at the same time. You will continue to receive your prescription drug benefits from your current plan through February 28, 2015. Your new prescription coverage from YOUR HEALTH PLAN will start on March 1, 2015. There will be no gap in your prescription drug coverage.
